# PRESIDENTS MESSAGE 2023

Hi all, it's that time of the year again when we come together for the annual show. It is certainly going to be very difficult to beat last years' show – it definitely was the best show we have ever had.

I am so very proud of all the committee members who selflessly volunteer so much time to enable the show to happen each & every year. This extends to so many others that volunteer in various ways throughout the year & on show weekend.

To all our generous sponsors, new & existing, this show is not able to go ahead without your support. I personally thank you very much.

I extend a warm welcome to everyone who attends our show along with all the competitors and wish you a safe & enjoyable weekend.

Our theme in the main pavilion this year is "History".

This year will be our first year running the show as a three day event.

Friday will be stock horse events all day starting around 9am with trotting beginning at 3pm. A BBQ & bar will be opening at 3pm.

There is a fully packed program over the weekend with the trucks parading in the truck show on Sat arriving at the showground around 11.30am, followed by non stop entertainment on the main stage over Sat & Sun. Sat evening finishes off with a terrific band & fireworks.

There will be the very popular mower races, show jumping, trotting along with all the fun of the fair.

Sun afternoon sees Airtime FMX team, finishing off with the ever popular Demolition Derby.

Thank you all once again, see you at the show.

*Mark Ward*

This year the Pavilion Theme is History. With the Brunswick Valley Historical Society celebrating 40 years of collecting, conserving, and documenting our history for our area we thought it was fitting to merge this into our Pavilion Theme.

To bring this category into our cooking section we would like you to bake a recipe with a memory; this recipe could be from your mother, grandmother, best friend or a family member. It could be a cake, slice, biscuit; whatever you like but remember it is summer and it gets very hot, so nothing that will not survive out of a fridge.

**YOUR ENTRY MUST INCLUDE A WRITTEN NOTE TELLING US A STORY ABOUT "WHY IT IS SPECIAL TO YOU"**

When it comes to baking memories and ones related to cooking or the kitchen, these memories are often strong happy ones but sometimes there is also sadness and a sense of loss if the person we are thinking of is gone.

The ability to share the memory and make the recipe again hopefully brings you back to a happy place.

When I was growing up, we (me and my cousins) would go to Nan's every Friday afternoon, we called it "Cake Day". Nans was an amazing cook, usually no recipe book, it was all by memory. Some of her favourites were Jelly Sponge, Scones, Mushroom Tarts and Sand Cake just to name a few. It is one of my best childhood memories.

**Class 300 – Baking recipe with a memory**

**Class 301 – Upside Down Pineapple cake with Cherries (any shape tin)**
