The Agricultural Societies Council Of Nsw

Rich Fruit Cake Competition (Class 298)

The following recipe is compulsory for all entrants and must be printed in your schedule.

Here is what you need:	Here is what you do
250g (8 oz) sultanas	Mix together all the fruits and nuts and sprinkle
250 g (8 oz) chopped raisins	with the sherry or brandy. Cover and leave for
250 g (8 oz) currants	at least one hour, but preferably overnight.
125 g (4 oz) chopped mixed peel	
90 g (3oz) chopped red glace cherries	Sift together the flours and spices. Cream
90 g (3oz) chopped blanched almonds	together the butter and sugar with the
250 g (8 oz) plain flour	essences.
60 g (2 oz) self-raising flour	
1/4 teaspoon grated nutmeg	Add the eggs one at a time, beating well after
1/2 teaspoon ground ginger	each addition, and then alternately add the
1/2 teaspoon ground cloves	fruit and flour mixtures. Mix thoroughly. The
250g (8 oz) butter	mixture should be stiff enough to support with
250g (8 oz) soft brown sugar	a wooden spoon.
½ teaspoon lemon essence OR	
finely grated lemon rind	Place the mixture into a prepared 20cm (8")
½ teaspoon almond essence	square tin and bake in a slow oven
½ teaspoon vanilla essence	for approximately 3 1/2-4 hours. Allow the
4 large eggs	cake to cool in the tin
1/3 cup sherry or brandy	
	NOTE: To ensure uniformity and depending
	on the size it is suggested the raisins be
	snipped into 2 or 3 pieces, cherries into 4-6
	pieces and almonds crosswise into 3-4 pieces.

Prize money is sponsored by the ASC. Show Societies and Groups should pay the prize money to their winners, then apply to the ASC for reimbursement.

Winners at country shows will each receive a cash prize of \$25 and will be required to bake a second "Rich Fruit Cake" in order to compete in a Group Final to be conducted by each of the fourteen Groups of the Agricultural Societies Council of NSW.

The fourteen winners at Group level will each receive a cash prize of \$50, and are required to bake a third "Rich Fruit Cake" for the Final judging at the Royal Easter Show where the winner will receive a cash prize of \$100.00.

Note: In any year, an individual competitor may participate in only one Group Final representing a Show Society and, consequently, may represent only one Group in the subsequent State Final.

This year's theme is "Poultry", and with this in mind, maybe the cooking will be all about eggs! Poultry farming in Australia has transformed from small, backyard setups into billion-dollar industries.

Poultry farming involves raising domesticated birds such as chickens, turkeys, ducks, and geese for meat, eggs, and feathers. Key types include broiler farming (meat), layer farming (eggs), and breeder farming (hatchery stock), managed through intensive (caged), semi-intensive, or free-range systems designed to meet consumer demand and self-care standards.

Layer Farming uses hens raised specifically for egg production. They typically begin laying at 18 weeks and can produce 250–300 eggs per year.

Eggs are incredibly versatile, perfect for quick meals like scrambled eggs or more filling options like frittatas or quiches. They are also essential for baking, creating structure, moisture, and rich flavour in cakes and biscuits.

The Mile High Pound Cake can use 10–12 eggs, compared to our Never-fail Sponge Cake recipe by the CWA, which uses 4 eggs. It is widely considered that duck eggs are the secret to the ultimate sponge.

What we are after in the Theme Cake category is a recipe that uses only one egg and a recipe that uses multiple eggs.

Option 1: Bake a cake, biscuits, bread, or cupcake of your choice using just one egg.

Option 2: Bake a sponge cake with your choice of filling (no whipped cream due to the heat and lack of refrigeration).

Class 300 – One Egg Wonder Recipe. A recipe of your choice that uses one egg (you must include the recipe).

Class 301 – Your favourite Sponge Cake recipe with your choice of filling. Include the recipe so we can see how many eggs you used (please note if you use chicken eggs or duck eggs in your sponge cake).

NOTE – NO CREAM DUE TO NO REFRIGERATION
